

WILDCAT BOOSTER CLUB

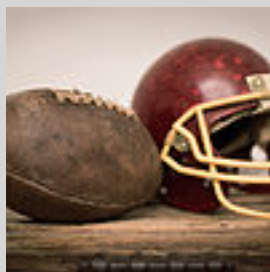

What is The Booster Club?

The Wildcat Booster Club is a 100% volunteer organization dedicated to supporting athletics and school programs in many ways including the purchase of special equipment not funded by the district, providing athletic awards and scholarships, financial support to assist athletes competing in State / National events and other contributions to our athletic programs in South Huntington.

We are a not-for-profit 501c(3) funded through membership, contributions and fundraising events throughout the year.

Our Mission

The Wildcat Booster Club strives to promote, foster, encourage and support interscholastic athletic programs, athletes and teams in the South Huntington Union Free School District. We promote cooperation and teamwork among all athletes and work to assist them in achieving their goals, on and off the field.

Our Community

South Huntington is home to nearly 10,000 residents. With a long proud sports tradition. From our youth programs to our Middle School and High School athletics, there is a commitment to our student athletes and our town. The Booster Club is proud to see a part of that heritage.
